Do I Really Need Spyware?

Cyber threats have become tremendously real with the fast growth of the Internet. No matter whether you are a concerned parent who tries to protect his children or a top manager who is concerned about his company, the internet is the place to keep your eye on. Do you desire to make certain that your children grows up happy, strong, positive and protected or to make sure that your workers don't share company's data with competitors? That's precisely where Auto Forward - a cell phone [spy Verizon cell phone](#) or another compatible with another carrier - can become your best ally.

The Auto Forward state-of-the-art spyware software is designed for anyone that wants to protect their loved ones and businesses. Spy apps enable you to track a target incoming and outgoing calls, text messages, their location via GPS, stored text and media files. Additionally, it doesn't only block unsuitable apps and potentially unsafe calls, but also allow you to access all the information you are looking for. Consequently, you are at all times conscious of all possible cyber dangers and can smoothly avert them. With the Auto Forward spy Aap, you can direct your time and power more effectively, as there is no more need to be apprehensive about untruthful employees or the well-being of your children.

As a parent, with this app you are always conscious of:

- The well-being of your children when you are not with them
- The kind of people they communicate with
- The places they [visit](#)
- Their problems they could share with friends, but not with you

As a business owner, you will know:

- What your workers are doing when you are not around
- How productive your workers are
- What type of information they share

What's more, Auto Forward spy app can help prevent identity theft and sustain reliability at your place of work.

How lawful is it to use the Auto Forward Spyware?

The use of the Auto Forward spyware is lawful depending on its application and by whom

Here are some stats that you've never thought of:

- 80% of parents claim that they know what their kids do online. Nevertheless, 31% of children claim that their parents are not aware of their online activities.
- More than 60% of children are harassed on the Internet; only 1 in 10 kids report it to their parents.
- Online harassment often results in dejection, which may lead to suicide.
- Most kids may share their problems with friends, but not with you

By **monitoring**, you can put a stop to cyber bullying and protect your kids from foolish choices that may expose them to drug addictions and untimely sex. In cases like this, using our app is legal.

What about Spy App usage at your workplace?

If you are a top senior manager who ignores the possibility of corporate information leak or does not pay consideration to any counter-productive behaviors of your employees, then there is a big possibility that you may lose your business before long. With our monitoring app, information about employees' activities can be collected to see who should be promoted or dismissed.

Besides, using Auto Forward Spy App is legal if you:

1. Notify the employees about your intention to use the monitoring software and get their agreement in a written form.
2. Make available a clear explanation of permissible and prohibited IT usage.
3. Use monitoring spy app for exclusively work-related purposes

Vital Info:Auto Forward spy app was created to assist parents in protecting their kids from various cyber dangers and to assist business owners in monitoring the performance of their employees, based on their consent. Nevertheless, we don't advise using this spyware for other reason that may be seen as illegal or unethical.
