v8.0 features

- Fly through walls(RT4U SPECIAL) - Now you can fly through walls, and hide inside the walls. So, no one can hit you nor shoot or bomb you. But, for your surprise, you can still shoot or bomb them, while hiding inside the walls. MAKE SURE YOU'VE ENABLED GRAVITY, else you'll fall down to death. Enjoy :)
- No one can see you or Invisible to enemies - With this option enabled, ROBOTS in SOLO PLAY mode cannot see you nor shoot or harm you. But, you can still, kill them to the extent you want by increasing your shooting skills and scores. (This feature will be available in online multiplayer modes in the nearby future)

Hope you're in a joyful mood, after reading all those features. Go... fast... make a comment below, before your mood changes ;).
