Tecno Camon C7 - Space & Price

Camon C7 is designed to take fabulous pictures. Equipped with 13MP front camera and 13MP back camera, facilitated by three flashlights, it features quick snapshot in black screen, devoted to capturing every beautiful second in your life. Meanwhile, the Excellent Capture V2.0 offers the freedom to choose among a variety of filters for beautification, and is effective in creating polished images and reliving all sweet memories.

Excellent Capture V2.0

Camon C7 is pre-installed with Excellent Capture V2.0 for the sole aspiration of capturing your best self. You will find it truly satisfactory to have a smartphone that retains your smiles even in low light or at night, and brings you to a higher level of imaging creation.

13MP Back Camera + 13 MP Front Camera

The 13MP back camera is equipped with dual flash, which shed natural light in low light for better light compensation effects. The 13MP front camera is also equipped with a flash, enabling you to take a beautiful selfie beyond your expectation. The panoramic mode further enhances the experience by fitting all your friends into one shot.
