Benelli motorcycle bn 251 2015

Specifications Benelli BN 251 2015

Specifications 251 2015 Benelli BN has a design that is so gahar accordance with the characteristic "Naked Bike in general". When viewed from the side at a glance very similar to the bike competitors "Naked Bike" other, namely KTM Duke Series even look like Yamaha Byson. Aft body that looks simple and so firmly that increasingly make BN 251 2015 Benelli motorcycle looks sturdy and masculine which is very suitable for young-spirited man with passionate fervor. Headlamp design also looks simple and stop lamp design and fenders hanging sporty look so simple and so make this one Benelli motorcycle typical motorcycle "Touring" really. Stang used type "Cruise Handle" made Benelli 251 2015 BN comfortable driving distance or near which allows the rider is not easy fatigue. Speedometer design blend with rpm indicator still with analog systems as well as other indicators that go into digital display makes Naked Bike is so modern and futuristic. Machines that look solid carried by the framework tralis or tubular manifold is perfectly proportioned with a given body. Large tank capacity of 16.5 liters so make Benelli BN 251 2015 more handsome. With a seat height of 780 mm and a weight of 150 kg's make this bike is fairly lightweight and can be ridden by riders with posture is not too high. Moreover, the design of the rear seats are made higher in boncenger make it feel more comfortable especially boncenger women. If we move the piece wheels are made with a design reminiscent of the large size of the Ninja 250 like a true motor sport. Solid black tire wheels and reinforced its large number of tires on the specifics of BN 251 2015 Benelli this. As well as the protector on the bottom of the machine making the motor-spirited "Explorer" and very supportive to be brought to a crawl all over.

Benelli specification bn 251 2015

For handlingnya performance specifications Benelli 251 2015 BN is also has a very good performance. Armed with front shock type up side down and the rear shock-type monoshock with a light swing arm will give a "rebound" wobble very stable when taken maneuver urban streets and winding streets typical of the mountains or countryside. Even with the size of the width of the tire on the front measuring 110 / 70-17 inches and the rear measuring 140 / 60-17 inches make Benelli 251 2015 BN increasingly tough to maneuver for long trips between cities with stable. Footing driver manifold Underbone make this bike more sporty and perfect for driving. For braking system BN 251 2015 Benelli is using this type of disc brakes on both halves. Front sector of specifications

|                 |               |               |

Benelli motorcycle specifications bn 251 2015

Next let us continue review specifications Benelli BN 251 2015 to spur the kitchen sector. Benelli BN 251 2015 The 2-cylinder engine equipped with a total capacity of 249.2 cc DOHC 4-valve technology persilinder with 6 manual transmission can spewing power of 24.5 hp at 9000 rpm and peak torque to 21 Nm at 7000 rpm. Character to bore engines with power makes the Benelli 251 2015 BN is very easy to accelerate quickly and reach a top speed in an instant. Even with a relatively light weight weighing 150 kg will produce PWR Ratio large enough so it is easy to carry speeding streets. Benelli combustion system BN 251 2015 using fuel injection technology with throttle body 37 will deliver fuel smooth and swift enough to be burning the fuel chamber. And with a fairly high compression ratio of 11.2: 1 makes this bike just want to drink a minimum of 92 octane fuel BN However specifications Benelli 251 2015 This one has the engine certification standards "Euro 3" will produce emissions that are environmentally friendly and quite economical in fuel consumption.

Price Benelli BN 251 2015

Now that's a full review of BN 251 2015 Benelli this from the display to the kitchen spur. How do bro all about Naked Bike of Benelli this one? Before Mas Sena provide information on the price Benelli BN latest 251 2015, Mas Sena will give a bit of conclusions regarding this Benelli 251 2015 BN. Maybe bro all after listening carefully review of Mas Sena certainly curious too right with BN 251 2015 Benelli price latest? Well Mas Sena will menginformasikan about the latest price Benelli to the comrades all. With a design that is so simple and masculine is very suitable for the young to the elderly who are adventurous. With a capacity of 250 cc engine will generate a high enough power to accelerate quickly. With shock and legs are very strong will give the sensation of handling that is perfect so will allow the rider to maneuver if necessary. And certification of EURO 3 presented will make this bike so environmentally friendly and economical enough. Then what is the price of BN 251 2015 Benelli this?

Benelli price bn 251 2015

Actually this one Benelli motorcycles will be released officially in mid-2015 tomorrow. Estimated with engine capacity of 250 cc and carrying EURO 3 standard makes price

Benelli 251 2015 BN Hot priced quite high. If Benelli Naked Bike Indonesia took the motor to ground water is estimated price will soar about 120 million dollars. This is due to import taxes are so great for luxury goods. Each luxurious vehicle only per unit could reach 125% tax that would be very burdensome. Price range BN 251 2015 Benelli is included so fantastic is not it? But of course the high price tag of the fellows will receive a comparable reciprocal of Italian motorcycle. If we buy a Benelli BN 251 2015 directly on the Italian state would not be as high as the selling price is not taxed as a luxury item, but my friends who is a big fan motors made Benelli should be able to understand the price increase is not because of the condition of taxation No ground water. If Mas Sena itself anyway judging from the price of the latest Benelli 251 2015 BN is still still rational but after taxed course the price was too expensive to buy.

 price-Benelli-bn-251-2015-latest

Benelli price bn latest 251 2015

But all do not have to worry bro terlebih first because the price range BN 251 2015 Benelli latest Mas Sena made above is just a prediction only. While the exact price of a new motor will be known by mid-fiscal year tomorrow. So comrades still can expect if a budget price Benelli BN 251 2015 after arriving in Indonesia is not released at a price that is more expensive than the Mas Sena convey. For those of you who are looking forward to and interest in BN 251 2015 Benelli motorcycles can be asked directly to the officer authorized dealer. Unfortunately authorized dealer Benelli Indonesia there are 3 that are in Jakarta, Yogyakarta and Surabaya. Actually this tax factor Mas Sena taste somewhat slight disadvantage of Europe's major motorcycle manufacturers whose products include quality. While the Japanese and Korean manufacturers when making luxury motor using local labor manpower and plant location in Indonesia to reduce the level of luxury tax and import tax evasion. But the factor of quality and performance of the Italian bike is still a plus point that becomes an important consideration where the European motor is not rivaled by the Japanese maker of luxury motorcycles. How are you still interested to have a Benelli BN 251 2015? All you really be a decision to consider all aspects before deciding to buy it. That's the price segment of the latest Benelli 251 2015 BN then close encounter Mas Sena on the occasion of this review. See also Yamaha R25 and KTM RC390 .
